

It is with pleasure that we received the contribution that br. Fulvio Di Trapani 33°, G.C. of the Supreme Council for the Italian Jurisdiction, recognized as legitimate and regular from the Supreme Council of France, mother of Scottish Rite in Italy, has asked us to publish. There are three reflections that br. Di Trapani 33° wants to share with us and with all Italian brothers. On Tuesday, Friday and Saturday we will publish the three parts of the contribution entitled Why Scottish, and invite all our readers to send us their comments.
